

# The 2in1 package

Sanjeev Saxena, [ssax@computer.org](mailto:ssax@computer.org)

23/July/2001

This L<sup>A</sup>T<sub>E</sub>X Style File is for printing two pages on a single page (landscape). Page numbers are at bottom. Header is blank. The author is Sanjeev Saxena, [ssax@computer.org](mailto:ssax@computer.org). This package was last modified on 23/July/2001 (prints title correctly with `\maketitle`).

## 1 Usage

```
\documentclass[10pt,landscape]{article} (or 11pt or 12pt)  
OR  
\documentclass[10pt]{article} (or 11pt or 12pt)  
\usepackage{2in1}
```
